

ABOUT ME

I am UX/Front End Web Developer based in Florida. I have a true passion for creating responsive, minimal websites.

PRO SKILLS

PHOTOSHOP

HTML/CSS

JQUERY/JAVASCRIPT

CONTACTS

iamdylanbailey@gmail.com

JACKSONVILLE, FL, USA

WORK EXPERIENCE

GOOGLE
2010 - 2016

I was a content creator who created digital media. I designed thumbnails and used the platform to promote what I was capable of.

SELF
EMPLOYED
2010 - 2016

I've worked on websites for family and friends over the years and created digital media. Music, artwork, websites, etc.

WEB
DEVELOPER
2014 - 2016

I am a self taught developer/designer. I've used my passion and drive for learning to better myself as a web developer.

EDUCATION

ASSOCIATES
IN BUSINESS
2010 - 2012

I attended FSCJ and worked on my associates in business. I did not finish the degree, as I found I could do what I love without going to college.
